BOSCAWEN PUBLIC LIBRARY

One might ask, "What are the purposes of a library?" One object is to furnish information and instruction. Another is to furnish inspiration and ideals for our boys and girls, our men and women and to furnish entertainment, amusement and companionship.

By an act of the New Hampshire Legislature of 1891, the State Library Commission was authorized to give to each town, one hundred dollars' worth of books as the nucleus of a library, provided they voted to raise a certain amount each year, based on the town's valuation.

At the annual Town Meeting of March 8, 1982, it was voted to adopt the so-called Library Act and twenty-five dollars was raised and appropriated for that purpose.

Immediately following, Doctor Eli E. Graves, George L. Pillsbury and Edgerton Raymond were elected to serve as trustees.

109 books were sent to us by the state and cupboards were made for them in the Town Hall.

In 1893, the library was opened in the Town Hall. Frank Durgin, Lottie Wilson, George L. Pillsbury and Eliza Bent served as librarians.

After many years we reached the limit of capacity for storing books in the Town Hall and a new library building was greatly needed.

When the need of a library with a vault for the town records was mentioned to Benjamin A. Kimball and Frank L. Gerrish, both born in Boscawen, their support was at once given. A committee of five, John

Kimball, Benjamin A. Kimball, Frank L. Gerrish, Augustine R. Ayers and Henry A. Kimball was formed and called the five associates to make plans and secure a plot for the new building.

Frank L. Gerrish generously offered to give to the committee the land upon which our beautiful building now stands.

Guy Lowell, architect of Boston, Mass., was asked to make the drawings, and the construction work was done by the Hutchinson Building Company of Concord, N. H.

On August 20, 1913, the building being completed, fully equipped and ready for use was dedicated.

The dedication exercises were held in the parsonage grove and were simple but impressive.

The building was a gift to the town of Boscawen, New Hampshire for its library and records by John A. Kimball, the heirs of Enoch Gerrish and Benjamin A. Kimball. The Hon. Benjamin A. Kimball in behalf of the donors made the presentation. Dr. Eli E. Graves, chairman of the board of Library Trustees, (who was authorized by a vote of the town August 12, and the trustees of the Library Trustee's Association to accept) in behalf of the town accepted the deed of land upon which the building now stands and extended a most hearty thanks for the generous gift of the beautiful new library building.

The invocation was given by the Rev. Francis H. Rowley, D.D., and speeches were made by Hon. Edward N. Pearson, chairman; Rev. Arthur Little, D.D., Hon. George H. Moses, Rev. Adolf A. Berle, D.D., Hon. Gilman H. Tucker and Mr. Charles I. Webster.

Hon. George H. Moses attended and in the absence of Hon. William E. Chandler, who was ill, paid tribute

to the memory of John A. Kimball who had recently passed away.

The dedication of the Boscawen Public Library was a wonderful occasion and will long be remembered.

Mrs. Eliza Bent continued her good work as librarian at the new building.

She served faithfully as librarian twenty-four years. Many years later as the number of books increased and more active service was needed, Mrs. Marjorie Emery was chosen to carry on the work.

In 1928, an especial honor was conferred on Mrs. Emery from the New Hampshire State Library Association for conducting the most efficient library. It was through her efforts that a branch library was started. The books were placed in a store or dwelling until a permanent place was found for them in the Torrent Hose house. Mrs. Emma Flanders was assistant librarian at that time.

Mrs. Emery gave twenty-four years of service to the welfare of the work of the library.

On August 20, 1963 our Boscawen Public Library will be fifty years old, and through the years has given our community wonderful service. We are planning and looking forward to celebrating the "Golden Anniversary" of our magnificent building this year.

The main library is used for meetings of many groups, interested in town affairs. It is the office of the Selectmen and the Municipal Court sessions are held there. Regular meetings have been held by the Library trustees.

Last April, during National Book Week, some of the trustees, the librarians, and special guests from town attended and enjoyed the James Michener dinner, held at the Highway Hotel, Concord, N. H.

Book Week was observed at the main and branch libraries with displays of new books.

Miss Maria Morrison, Library Trustee, attended the New Hampshire Library Trustees' Association meeting last fall.

Through the kindness of friends, collections of books have been taken to the Merrimack County Home and Norris Nursing Home. During the year we have had Bookmobile service from the State Library every two months with a large collection of outstanding books.

Many new books have been purchased this year.

The annual sum of fifty dollars was received from the Thornton Fund for the purchase of children's books at the branch.

The Boscawen Congregational church enrolled in the Adventures in Reading Contest.

At Christmas both the main and branch libraries were decorated for the holiday season.

The Library Trustees gratefully acknowledge the gifts of books received from the following people: Mrs. Harry Sanderson, Mrs. Rourlse, Mrs. Richard H. Cole, Mrs. J. Ralph Graham, Mrs. Phyllis Randlett and Mr. and Mrs. Ernest O. Cummings.

We also express our sincere thanks to Mrs. Lucy Dadmun for her gift of four historical books to the main library. A bequest of five hundred dollars was given to the town from the late Mary K. Colby, as a trust fund for the benefit of the main library.

The pointing up of the bricks and other necessary repairs have been made and completed at the main library.

A new stove has been purchased and installed at the branch and necessary repairs are being made on the old chairs.

Student research and reading has increased markedly in 1962. The trend shows a steady rise in circulation of both classical works and reference books.

This in-library use of reference material is more than gratifying and as readers find the varieties of material and helps available this is expected to continue.

Because of the increase in dividends of the trust funds, we have been able to cut our budget.

Circulation was as follows:

Adult fiction	4,216

Juvenile fiction	3,703
Juvenile non-fiction	1,258

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible $5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another $24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.
In 1962 we had 5 fires.
We burned 10 acres.
Permits issued—219.

WATER COMMISSIONERS REPORT

During the 1962 season, we replaced nearly two thousand feet of water mains as follows: Elm Street, some over 1,000 feet, and if we had not run into a long stretch of ledge, we probably could have finished that street as far as Commissioner Grant's property. High Street, on Route 4, a little over 700 feet. This completes this street to a point nearly 200 feet north of Goodhue Road. An additional hydrant was placed north of Goodhue corner, thus providing added fire protection of that area. We also laid about 200 feet through the property of Clyde G. Fairbanks, which at present gives a much needed increase in the water supply to the N. H. Bituminous Company. This line will be extended, when possible, so that a hydrant can be installed near their plant.

During the present year, it is one plan to replace the main on the D. W. Highway, a distance of over 1500 feet to the corner at Goodhue Road and to install a new main going west on Goodhue Road another 1500 feet or more. This will avoid future freeze ups on this road, which have been quite extensive in the last few years. If possible, we would like to finish Elm Street in 1963 also.

Looking into the future, we can look forward to needed repairs to the dam at Walker Pond outlet and the installation of meters for all water users.

WARANT FOR ANNUAL MEETING OF PENACOOK & BOSCAWEN WATER PRECINCT

(L. S.)

To the inhabitants of the Penacook and Boscawen Water Precinct qualified to vote in Precinct affairs:

You are hereby notified to meet at Boscawen Town Hall in said Precinct on the 22nd day of March next

at 7:30 o'clock in the evening to vote upon the following:

1. To hear the reports of the Precinct Officers and pass any vote relating thereto.

2. To choose all necessary Precinct Officers for the ensuing year.

3. To authorize the Precinct Commissioners to borrow money in anticipation of Precinct taxes and other revenues for the year 1963 and to issue notes therefor at such rate of interest and payable at such time, within one year, and at such place as the Precinct Commissioners shall determine.

4. To see if the Precinct will vote to raise and appropriate the sum of $900.00 for new construction.

5. To transact such other business as may legally come before this meeting.

Given under our hands and seal this 7th day of March in the year of our Lord Nineteen Hundred and Sixty-three.

AUDITOR'S CERTIFICATE

In accordance with instructions from the Commissioners, we have made an examination of the books and records of the Treasurer of the Penacook and Boscawen Water Precinct for the year ended December 31, 1962, and have prepared the following statements:

Exhibit A Balance Sheet as at December 31, 1962
Schedule A-1 Detail of Funded Debt as at December 31, 1962

Exhibit B Statement of Receipts and Disbursements—For the Year ended December 31, 1962

We have examined all checks issued by the Precinct during the year. We have also made an extensive check of all vouchers.

All recorded cash receipts were traced to the bank statement. In addition, we abstracted a list of the unpaid water rents as at December 31, 1962.

The Statement of Receipts and Disbursements correctly reflects the receipts and disbursements for the year ended December 31, 1962.

The Balance Sheet, Exhibit A, shows the Assets and Liabilities as at December 31, 1962, in accordance with the Public Utilities Commission Classification of Accounts.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Boscawen, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Main Street School in said district on the 23rd day of March 1963, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with

other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the School Board to cooperate with other Boards from surrounding communities in studying possible cooperative school plans and appoint such additional committee members as seem necessary when the need arises.

10. To see if the district will authorize the School Board to use any gifts, special State Aid or special Federal Aid received, for the general improvement of the school system.

11. To see if the district will authorize the School Board to sell the white wood-frame building located on the school grounds to the rear of the Main Street School and permit the proceeds of such sale to be added to School District funds.

12. To see if the district will vote to authorize the School Board to add the Gulf School Fund, $542.96, the Water Street Fund, $444.91, the Building Committee Fund, $1,001.81 to School District funds for the purpose of reducing the school assessment in the amount of $1,989.68.

13. To see what action the district will take relative to authorizing the School Board to enter into tuition contracts with neighboring communities as provided in RSA 194-21A, for the education of its high school pupils.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Boscawen this 21st day of February 1963.

SUMMARY OF SUPERINTENDENT'S SALARY 1961-1962

Supervisory Union No. 46

The Superintendent's salary of $9,150 is paid in part by assessments against the seven districts in the union, which are pro-rated as follows:

Andover	$ 734.70
Boscawen	897.45
Chichester	385.95
Loudon	581.25
Penacook	1,618.20
Salisbury	237.15
Wilmot	195.30
	$4,650.00

These payments are made by the districts directly through the Supervisory Union office.

The remaining $4,500 is paid by the State from the fund established by the per capita tax of $2.00 for each resident pupil. Boscawen's per capita assessment for 1961-1962 was $790.

This calendar provides for 187 school days. Only full school days are scheduled. It is mandatory that all schools complete 180 full days of instruction. Graduations are to be after the completion of the 180 days.

This is in accordance with policy of the State Board of Education.

THE "NO SCHOOL" SIGNAL

Two blasts of the fire alarm given three times (2-2-2), and the same number of blasts of the siren on Torrent Hose House is the signal for closing school for one session. Its meaning depends upon the time of sounding.

When sounded at 7:30 in the morning, ALL SCHOOLS in Penacook and Boscawen will be closed for the forenoon session.

When sounded at 11:45, ALL SCHOOLS will be closed for the afternoon session.

Announcement will be made over radio station WKXL at 7:15 and on subsequent announcements of the station.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools:

I herewith submit my fifth annual report as school nurse of Boscawen School District.

There are fifty-two children in the first grade, divided into two rooms. Many of these children who registered last spring had vision and hearing tests at that time. Those who registered in September or have since transferred have had vision tests, physical exams, and T. B. Patch tests.

Physical examinations have also been completed on pupils in grade 4 and 7. As always, any defects are reported to the parents and any necessary follow-up is done by the nurse.

116 T.B. Patch tests were applied to pupils in grades 4 and 7, as well as first graders. Any positive reactors are reported and parents are urged to see their family doctor or to report to the T.B. clinic for chest X-rays. The testing is made possible to the school children through the sale of Christmas seals.

Vision tests are completed in all eight grades. Failure to pass this screen testing was reported to parents. Whenever parents are unable to bring a child to a doctor for further examination, arrangements can be made through me to provide this service and to buy glasses when necessary.

Hearing tests are done in grades 1, 4 and 7, all new pupils, and all children with known or suspected hearing defects. Last spring 122 hearing tests were done. Here again, defects are reported and children are referred to the family doctor or an ear specialist. Infrequently, hearing aids are recommended and quite

often speech therapy is indicated. In many cases the child is allowed to sit in a front row seat and this is the only treatment needed. Hard of hearing pupils are also reported to the state department of education and the more severe cases are provided with special education.

Speech therapy lessons are still being held on a weekly basis at the Child Guidance Clinic in Concord. This is a free service available to anyone (through application) and is provided by the Easter Seal Fund and the Zonta Club.

At the completion of the school year last year, 21 children were provided with complete dental care and were transported to and from the dentist by the school nurse. This year, those 21 children will have their teeth cleaned and additional work will be done as needed. We will add a few new students, depending on their ability to have dental care and also depending on the amount of money allocated from the Thornton Fund.

Routine visits are made to the classrooms daily and first-aid given whenever needed. I am always available for emergency calls to any school at any time during the day. I make home visits to see pupils who are absent for any length of time as well as to report defects. I also make home calls whenever requested to confer with parents.

Some of the functions of the school health program are listed below:—

Physical exams	124	
Vision exams	311	(includes rechecks)
T. B. Patch tests	116	
Emergency Calls	6	
Transported home	9	
Transported to doctor or dentist	10	
Home visits	29	
Hearing exams	122	

1 hearing defect found with immediate correction.

20 vision defects found with 16 pupils seen or treated by doctor.

Clinics and Referrals

Sight conservation	6
Speech Therapy	0
Nutrition	3
Child Guidance Clinic	2
Dental Clinic	25

To Superintendent Raymond Morton, the Boscawen School Board, and the Main Street School staff, I express my sincere thanks for your continued cooperation and sincere interest in the school health program which plays an increasingly important part in your children's daily education.

Respectfully submitted,

MARJORIE B. JOHNS, R. N.
School Nurse-Teacher

REPORT OF THE SUPERVISOR OF MUSIC

To the Superintendent of Schools:

The new school in Boscawen has meant much to the music program. It enables us to have a much larger place to present musical programs for the parents. It gives us ample room to practice folk dancing and musical games and a permanent place to set up the record player for additional teaching in music.

This year we presented our spring program at night. The new auditorium was filled to capacity. The first six grades participated in this effort. Songs, dances, and rhythm accompaniment were all presented. The program was climaxed with a finale by the Glee Club.

The Glee Club presented two programs at Salisbury School. One program was presented in the spring and one at Christmas time. The older class at Salisbury provided refreshments (after the programs). The Glee Club also presented a Christmas program for the Mother's Club and for an assembly of the whole Boscawen School.

My especial thanks to Mrs. Evelyn Wells for her assistance with the Glee Club last year, and to Mrs. Katharine Toomey for her help this year. I also wish to extend appreciation to Mr. Bruce Clarke for his help with the rhythm group who accompany the Glee Club.

My thanks to each teacher, parent, school board member, and superintendent for their continued interest and support of the music program.

Respectfully submitted,

LEA FOWLER
Supervisor of Music

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Boscawen:

Boscawen school enrollment continues to increase rapidly. Grades one and two have each been divided into two divisions with a teacher for each.

Your School Board is recommending that an additional teacher be provided next year so that grade three may also be divided into two divisions. This is very necessary if each pupil is to benefit from the individual attention so necessary for effective teaching and learning.

An additional teacher will make it necessary to prepare and equip an additional classroom. Fortunately space is still available for such expansion.

The School Board is already giving serious attention to our increasing enrollments and the need for additional classrooms, which will continue to be a problem of the community.

Your contniued interest and support are vitally necessary if good school buildings and adequate teaching facilities are to be continued for the school children of Boscawen.

Respectfully submitted,

RAYMOND E. MORTON,
Superintendent of Schools

REPORT OF CIVIL DEFENSE

Everyone is aware of the need for preparedness, whether it is in the realm of fire service, police service or in Civil Defense, which is a combination of all services. We have ended a year of great anxieties which only tends to point up to us the real values of our local organization.

Your local organization, in the past year, has added to its supply of critical materials; it has added one more unit to its communication network; it purchased for the fire departments, 4 Scott Air Packs, breathing equipment which will enable them to do a better job of protecting life and property; and at the time of the Cuban crises the staff met twice in emergency session to re-evaluate our emergency plans. In addition, the communication service has held weekly drills, once in conjunction with the auxiliary police. The auxiliary police unit met at various times in training sessions and participated in the State Civil Defense Pistol Match for the second year. We are happy to report that the Pistol Match this year will be held in Boscawen.

Your director participated in several Area 6 Directors meetings for the purpose of planning mutual aid in emergency.

It is imperative that the people realize that Civil Defense cannot do everything for them during emergency. While it is true that we have a good organization, excellent equipment and emergency plans which we know will help, it is also certain that some things must be done by the individual alone. We therefore suggest that the following steps be considered by you.

1. Join some branch of the local organization. We need you!
2. Build a Fall-out Shelter or convert your cellar to give it the proper protection factor.
3. Take more interest in the local Civil Defense. Ask questions! In this way we can develop better plans.
4. If an emergency develops, cooperate with your local government. Follow all directions carefully.

In conclusion, I would like to express my thanks to all the members of the organization for their help and cooperation during the past year and may I express for the organization, our deep sadness in the loss of a most dedicated member, Vernon Silver. We extend our deepest sympathy to Mrs. Silver.

Respectfully submitted,

KENNETH R. MARSHALL,
Director
